Please keep KLOVE as it is! KLOVE provides rare family programming, uniting families in our area. It provides local concert and ministry info., which we take advantage of. KLOVE is one of the few stations where we hear clean, uplifing, encouraging, postive music and talk. Best of all, many listeners in our local area have been helped by the counseling, encouragement, and spiritual emphasis that KLOVE provides. Our lives are deeply enriched by the station and its programming!
